

STEP ONE

Find a letter size sheet of paper that is free of any folds.

STEP TWO

Fold the sheet in half as shown

STEP THREE

Fold the corners 45° to the center crease

STEP THREE

This is what you should have right now

STEP FOUR

Fold in from the edges like so.

STEP FOUR

This is what you should have now

STEP FIVE

Fold the plane in half along the center crease

STEP FIVE

This is what it should currently look like

STEP SIX

Fold the wings down as shown.
DO THIS FOR BOTH SIDES

OPTIONAL

Gently fold small flaps as show. They should not be hard folds.

DO THIS FOR BOTH SIDES
