

STEP ONE

Find a letter size sheet of paper that is free of any folds.

STEP TWO

Fold the sheet in half as shown

STEP THREE

Fold both sides so that they are overlapping the center

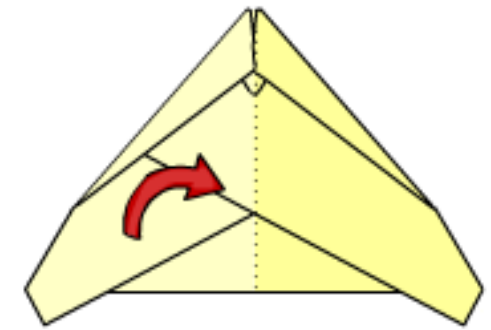

STEP FOUR

This is what you should have right now. Now fold the tip down.

STEP FIVE

Fold in from the edges like so.

STEP SIX

This is what you should have now. Now fold the plane in half.

STEP SEVEN

Fold the wings down on both side.
